Wanted Posters Book Response Project

All Genres

Materials: Two sheets of 11 x 17 paper or poster board, coloring materials, scissors, glue, blue or black ballpoint pen

Requirements:

Choose two characters from the book, and design a wanted poster for each character using the information on the templates.

Directions:

2. Make an additional copy of the organizer & poster templates so that you have copies for each poster.
3. Complete the graphic organizers with information about each character. Use details from the book. Some information might not be in the book so you will have to come up with details that make sense and fit the story.
4. Use the graphic organizers to complete each page of the poster template. (If you are using 11 x 17 paper for your posters, copy the poster templates at a smaller size).
5. To assemble the two wanted posters, use either the full-sized templates for poster board or the reduced-size templates for 11 x 17 paper. Use the diagram to arrange the templates.

Assessment:

See the rubric for details of how your posters will be scored.
